## Crosby Swivel Hoist Rings Recalled

### What Happened?

- The Crosby Group, Inc., a manufacturer of rigging equipment, has recalled HR-125 and HR-125M Swivel Hoist Rings from a specific production lot.
- Use of the specified rings may result in property damage, severe injury, or death.

### What Can Be Done?

- Locate all items in stock and in service, sized as shown in table at right. **Find and remove from service those marked with Product Identification Code 'Y5C' on the bail, or 'Z7C' on the bolt.**
- Contact your Crosby distributor to arrange for replacement.
- Contact Terry Johnson at 1-800-772-1500 or EG&G/Donald Smith at 544-4007 for questions or more information.
- Notify all other possible users of Crosby swivel hoist rings about this recall.
